### Data sources and quality

The figures in these tables have been drawn from administrative IT systems which, as with any large scale recording system, are subject to possible errors with data entry and processing.

An asterisk (\*) has been used to suppress values of five or fewer. This is to prevent the disclosure of individual information. Further disclosure control may be completed where this alone is not sufficient.

### Notes

(1) Non-criminal reasons include those awaiting and recommended for deportation, awaiting extradition, and immigration detainees. This data does not include any British Nationals or those with an unknown nationality.

(2) Peterborough is a dual purpose prison for men and women
