#### **Data sources and quality**

The figures in this table have been drawn from administrative IT systems which, as with any large scale recording system, are subject to possible errors with data entry and processing.

#### **Disclosure control**

\* An asterisk has been used to suppress values of two or fewer. This is to prevent the identification of individuals. Further disclosure control may be completed where this alone is not sufficient.

#### **Note**

Individuals detained under Immigration Act powers include those classified as Immigration detainees, those recommended for deportation and those awaiting deportation.

(1) HMP Peterborough has both a female and a male prison on site. The figures presented here reflect the sum of the male and female prisons.
